

VIDEO GAMES SEARCHING

DIRECTIONS

Ask people what kind of game platform do they to search(PS4, Xbox One, PC).

The input for this question will connect to the next two aspects and also, the following two aspects will have different output based on what kind of platform people input for this question.

Ask people if they want to see the most popular games or New Release games based on the platform they inputted. If the answer is 'Popularity', it will output a list of 10 most popular games with each games' popularity rate. If the answer is 'New Release', it will output 10 most recent release games.

This program will loop until you type 'Done'
